MedPro Healthcare Staffing, a leading US-based healthcare staffing company, is looking for physical therapists who want to pursue their career in the United States.

Take the next step forward toward working in the United States of America!

THE MEDPRO SCHOLAR PROGRAM FOR PHYSICAL THERAPISTS

Earn your DPT online with MedPro’s assistance.

You have the experience, now earn a Doctorate of Physical Therapy degree that can advance your practice and help you work in the United States. Designed for licensed physical therapy professionals, the MedPro Scholar program builds on your current expertise and gives you the knowledge, critical thinking abilities and a degree to successfully continue your career in the US.

MedPro Scholar Program will help you to obtain all the credentials necessary for immigration, including TOEFL, NPTE, FCCPT and DPT. Contact us today!

PROGRAM HIGHLIGHTS:

- In house team of experts to guide you through testing, credentialing, licensing, immigration and life and work in the U.S.
- Courses will be offered through MedPro University (MedProU).
- Expert instructors led by U.S. educated team.
- Realistic test questions.
- Immigration, credentialing and licensing process will be managed by MedPro.
- Flexible start dates.

WHAT IS MedProU®?

MedProU® offers UNLIMITED learning experiences including continuing education, exam preparation, profession-specific short and long-term courses, staff development programs, clinical development and skill acquisition internships.

WHAT IS The MedPro EXPERIENCE®?

Since 1983 our team has helped thousands of foreign-trained professionals fulfill their dreams of living and working in the US. We are experts at creating a successful career and a new life in the US for our foreign-trained healthcare professionals.

Once employed by MedPro, you will also be treated to The MedPro Experience, our personalized employee experience program dedicated to make your life in the US enjoyable and rewarding. You can expect some YOUUnique Adventures with great customized surprises along the way. We will help you celebrate your birthday, holidays and other milestones throughout the year!

"Please extend my heartfelt gratitude to all the staff at MedPro who made my American dream of a reality." - Precious

"Working and living here in the US is one of my childhood dreams and I can say without you, this would not be possible." - Ariel
